

Anti Psychiatry OS – Cancel Your Shrink – Flush Your Meds or Take it To a Police Station, it is a Pseudoscience & Real Sciences are Neurology and Carbon Dating Because Earth is 4 and ½ Billion Years Old and Evolution is a Fact Duh. Even a Dunderhead knows Earth 4 and ½ Billion Years old, God Not Real, Evolution a Fact, Natural Selection, Carbon Dating. Creationism is BS. So is Intelligent Design. Young Earthers and Pro Lifers are Tards Interfering with Truth Movement. Earth is a Sphere not that other thing you Tard. It rotates and revolves around the sun not you. It's called the Gyro-sphere dumb-ass. Learn Real Science Such as Neuroscience, Evolution, Carbon/Ice Core Dating. Measurements. Ever heard of a PRNG. That's science used to predict weather LOL..... Religion is a damn cult and a waste of time and money. The church caused the Eugenics in the first place LOL..... Archive*is/ivvHB - Github*com Ctrl+Click in your Web Browser ...
